Wedding Packages

We offer comprehensive coverage of your event, combining a unique and creative approach that includes studio imaging and outdoor photography as part of your package. H-R Photography & Video has a unique style that is based on over 30 years of experience.

We believe in providing our customers with a balanced blend of classic, well-posed and lit photography together with a large number of documentary style photos. With this unique style we rely on our decades of know-how about lighting and posing, whether it is done at the church, park, or our studio. At the same time, we will make sure to provide you with hundreds of spontaneous, unposed photographs that will document your wedding day. Our techniques are combined with the latest, most advanced camera and computer technology to ensure the highest image quality.
